

The Road Ahead

Saint Catherine of Siena Parish

Dinner/Auction 2018

What do St. Matthew the Apostle, St. John Francis Regis and St. Thomas More parishes all have in common?
These parishes were all born out of Saint Catherine of Siena Parish as her membership grew beyond her boundaries.

Dear Friends,

Do you know parts or all of the areas which are now included in the parishes of Coronation of Our Lady in Grandview, St. Sabina in Belton, Our Lady of Lourdes and Christ the King, Kansas City, were originally served by St. Catherine's?

In the course of 92 years of worship and 67 years of Catholic education (38 years as Saint Catherine's School and 29 years as Our Lady of Peace school), many families have moved to other parishes in the Kansas City area bringing new beginnings for our faith celebrations, our children's education and our continued role as Catholic leaders in our communities. Many Catholic parishes in our Kansas City/St. Joseph Diocese are currently thriving. Saint Catherine's membership has declined in recent years. However, with the growth of southeast Kansas City, the parish is on the verge of a rebirth. We need your help to prepare for the future our Lord has in store for us. We invite you to reflect on the historical importance of Saint Catherine's parish and school, the impact that the community had on you and your family's life and the future of Saint Catherine's.

On Saturday, June 2, 2018, Saint Catherine's is hosting 250 guests at the Armacost Car Museum for **"The Road Ahead"** to celebrate our heritage and support our future. We will enjoy dinner, and fellowship as well as both silent and live auctions.

Please help us embark on "The Road Ahead" dinner/auction fundraiser event to prepare for the.....**"Road Ahead"**.

- Remove and replace blacktop parking lot.
- HVAC in the parish office building. Current system is from 1962 and in very poor working order.
- Plumbing and Sewer repairs campus-wide.

Our financial goal for "The Road Ahead" campaign is \$200,000 in order to complete these deferred maintenance projects. More information on ways to donate will be coming soon. Look for your invitation in April and for now save the date!

We sincerely thank you for your generous financial support and we look forward to seeing you on June 2, 2018. !
